

MINIX NEO U22-XJ

4K Ultra HD Android™ Media Hub

Official Dolby Audio and Dolby Vision Support

The Pinnacle of Power, Speed and Entertainment.

An Entertainment Powerhouse.

MINIX NEO U22-XJ is designed to be the centre of your home entertainment needs.

Transforming the entertainment experience with hardware that captures the cinematic experience, delivering a dynamic audio and visual experience that puts you right at the heart of the action.

Immerse yourself in next-level entertainment all from your living room with NEO U22-XJ.

Unleash the Power.

Featuring a true high-performance processor and powered by Android 9.0 Pie, NEO U22-XJ is built for speed.

Optimized to deliver blazing-fast, responsive performance that pushes the capabilities of MINIX Media Hubs and unleashes next-gen power.

Stunning 4K Ultra HD Visuals.

Enjoy flawless true 4K Ultra HD imagery that's vivid, nuanced and powerful.

NEO U22-XJ effortlessly achieves an ultra-realistic, lifelike viewing experience; bringing the cinema into your home.

Discover thrilling 4K HDR entertainment; NEO U22-XJ handles a variety of HDR formats, including HDR10, HDR10+ and Dolby Vision.

Dolby Vision: Brings Entertainment to Life.

Behold the stunning brilliance of Dolby Vision.

Dolby Vision pairs extraordinary 4K clarity with the vibrant colour, brightness and detail of High Dynamic Range to create an immersive, engaging cinematic experience that brings entertainment to life.

NEO U22-XJ's advanced 4K HDR technology dramatically expands the colour palette and contrast range, producing movie theatre quality in the comfort of your living room.

Dolby Audio: Cutting-Edge Surround Sound.

Fill the room with immersive Dolby Audio surround sound.

NEO U22-XJ's cutting-edge surround sound elevates your audio experience; premium audio that flows around you.

Be captivated by the astonishing clarity, richness, detail and depth of Dolby Audio via optical S/PDIF and analogue audio outputs.

Premium Connectivity.

With 802.11ac 2 x 2 MIMO Dual-Band Wi-Fi and Gigabit Ethernet, NEO U22-XJ supports super-fast wired and wireless connections; perfect for streaming your media content.

NEO U22-XJ offers a full range of premium connectivity with HDMI 2.1 that supports high resolution video and high bitrate audio playback with superior reliability, 3 x USB 3.0 ports for maximum versatility and incredibly-fast transfer speeds, and a Micro SD card reader that's ideal for increasing the total storage capacity.

Designed for Silent Performance.

NEO U22-XJ's intelligent thermal design directs system heat away from the centre to ensure ultra-reliability and performance even under full load and long-term usage.

This fanless, passive cooling design allows NEO U22-XJ to operate in absolute silence and contain no moving parts.
